Education

National University of Science and Technology / BSCS
September 2018 - July 2022, Islamabad

- Currently in 6th semester
- Current CGPA is 3.28

Fazaia Inter College E-9 Islamabad / FSc
July 2016 - May 2018, Islamabad

- Got 955 out of 1100 marks

Experience

Space Invader game using Java
2nd semester

I build a space invader game in java by using object oriented concepts like inheritance, polymorphism and abstraction etc. I used the swing library for building the GUI of game

Social Media application using ExpressJS
4th semester

I built a social media application named A-Connect by using express.js. I used passport.js for user authentication and multer for image and video upload. I used mongodb as our database for this project

Small Personal Projects
During vacations

Some small personal project includes chat application using web sockets, web based tic tac toe game, book management system using express.js and currency converter app using react.js
